REMARKS

25X1X

On 6 June 1951, the barracks installation on Ilberstaedterstrasse, Bernburg (M 52/D 76), appeared to have been vacated by all troops except for a guard detail of soldiers who wore red-bordered black epaulets with artillery insignia. Only a few windows of the installation were lighted at night. There was no vehicular traffic. *

25X1A

Comment. The components of the unidentified AT Arty Brig, possibly the 50 Gds, of the LXXIX Mtz Rifle Corps which are carried in this barracks installation, left for Altengrabow between 16 and 22 April 1951. See

25X1A

Elements of the 38th Gds Arty Regt of the 7th Gds Tank Div which are also stationed in the barracks installation may have gone to Altengrabow, too.
